

Maxi-Mag +

The foundation of a comprehensive nutritional regime

Delivering an advantageous form of magnesium, combined with vitamin C, zinc, manganese and selenium, that help protect cells from oxidative stress, complexed in a proprietary blend of B vitamins and other synergistic ingredients including biopeperin, an ingredient extracted from black pepper that aids the utilisation of selective nutrients. Made from only the finest raw materials, this formula is suitable for consumption by vegans.

%EC NRV = Nutrient Reference Value

Directions for use:

Take 1-3 capsules daily or as directed by your chosen adviser.

Store in a cool, dry environment and out of direct sunlight.

A food supplement:

120 capsules – 40-120 day's supply.

Cautions:

Long term intakes of more than 10mg vitamin B6 may lead to mild tingling and numbness. Do not exceed the stated recommended daily intake. Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Keep out of the reach of children.

Suitable for vegans and many of those on a restricted diet.

Allergen information: See ingredients listed in **bold**.
